

Amputation

An emergency amputation of poorly converting press ads was performed last night by surgeons Laura & Adam.

Rescue

It has been recently revealed that Firewoman Vickie rescued customers from booking with another travel agent.

Arrested

WPC Suneet arrested senior sales manager Paul for abandoned calls and lack of a visa. "I didn't know he was Mexican!" she stated. Paul denies the charges.

EXTRA! EXTRA!

Marketing come to the rescue and save the day, again!

The Virgin Holidays Cruises Marketing team came to the rescue yet again. Surgeons Laura & Adam amputated poorly performing press ads while firewoman Vickie rescued customers from booking elsewhere. Sean has scaled Mt. Google where he found thousands of visitors stranded, while police woman Suneet has made a number of arrests over abandoned calls. Nurse Colette has performed CPR on paid search to bring it back to life.

"We cannot thank the emergency marketing team enough for their dedication and bravery in the face of the massive challenges they've faced over these last days"- anonymous

Mountain Rescue find visitors on Mt. Google

A rescue team, lead by mountaineer Sean, have found thousands of visitors on top of Mt. Google it has been revealed today.

Revived

Nurse Colette revived paid search with some emergency CPR. The patient is doing well.

The discovery was made during a daring attempt to scale Google, a mountain known for its difficult terrain.

Leadership Praised

New marketing manager Katie hailed as a hero for showing determination and leadership only weeks after joining the Marketing team.
